- Just "not hard" programming, left, started working in IT

Projects

Resume-builder — Jan 2026

I found a modern PDF CV generator, but no UI. I added a UI with AI, and even moved Python there. It works without a backend.

- ai, pdf, wasm

Practice-book — Jan 2026

draw or overlay text directly on top of the PDF, which is very convenient for learning.

- ai, pdf, e-learning

Telegram Bot — Jan 2019 – present

Create instant view from any sites (30k+ installs); Nodejs, RabbitMQ, Open-source 250+stars
